No.192(24)/2004-FC.A/Cs.  
Government of India  
Ministry of Consumer Affairs, Food and Public distribution  
Department of Food and Public Distribution  
Krishi Bhavan, New Delhi

Dated: the 5<sup>th</sup> November, 2004

To,

The Secretary,  
Food & Civil supplies Department,  
Government of Uttaranchal,  
Dehradun.

Subject: Fixation of the rates of Custom Milled Rice (CMR) and cost of new 50 kg. Gunny Bags used by the Government of Uttaranchal and its agencies for the procurement of Custom Milled Rice for the Central Pool during the Kharif Marketing Season 2004-05.

Sir,

I am directed to convey the approval of the Government of India for payment of the following rates of Custom Milled Rice (CMR) under the price support operation to the Government of Uttaranchal and its agencies during the Kharif Marketing Season 2004-05, item wise details of procurement incidentals are annexed.

( Rs./qtl. )

<u>Commodity</u>	<u>Common</u>	<u>Grade.A</u>
Raw-rice	1031.86	1081.16
Par-boiled rice	1016.84	1064.98

In addition to the above, the following elements/items are also to be reimbursed to the State Government:

2. Guarantee Fee, if it is actually paid by the agencies to the State Government for obtaining credit, would be payable on actual basis, subject to a maximum of 1/8% of MSP worked out on the estimated quantity of paddy delivered to FCI procured under Price Support Scheme (PSS) for the Central Pool. No interest on delayed payment on this account will be payable.

(ii) Commission to Societies will be allowed subject to certification of the State Government with documentary proof that Societies were involved in the procurement work.

3. Milling charges have been allowed @Rs.12 per qtl. for raw and Rs.17 per qtl. for par-boiled rice excluding Rs.3.00 per qtl. as transportation charges upto 8 kms. on each side from purchase centre to mill and from mill to FCI godowns on paddy as well as rice.

1.12 m.

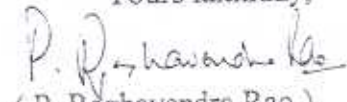

4. The Custom Milled Rice would be delivered by the procurer FCI, in 50 kg bags only, in its local godowns upto the scale point and the stacking in the FCI godown will be done by FCI.

5. As per para 4 of this Department's letter No.192(4)/2003-FC.A/Cs. dated.16<sup>th</sup> July, 2003, the rate/cost of Custom Milled Rice (CMR) and other elements as indicated in para No. 1 and 2 are final. If the State Government feels that there is adequate justification for a revision in a particular component, the claim would be considered on the basis of detailed justification submitted for the increase, documentary proof and accounts audited by the auditors appointed by the Comptroller and Auditor General.

6. To ensure proper utilization of funds/subsidy being released by the Government of India, the FCI may insist on requisite certificates from the State Government and its agencies before release of incidentals on account of statutory charges i.e. Market Fee, RD Cess etc. as per past practice.

7. This issues with the approval of the Integrated Finance Division vide their Dy. No. 3374/FA/2004 dated.3.11.2004

Yours faithfully,

Subject : Principles to be adopted for fixation of incidentals/economic cost of  
Custom Milled Rice.

Sir,

I am directed to refer to the above mentioned subject and to say that in partial modification of this Department's d.o. letter No.192(4)/2003-FC.A/Cs. dated 16<sup>th</sup> July, 2004 conveying "Principles" to be adopted for fixation of acquisition/economic cost of foodgrains, Table No.2 and Table No.3 annexed with the above referred d.o. letter regarding incidentals and economic cost of CMR are hereby replaced with the annexed Tables No. 2 and No. 3.

2. All other term and conditions of the d.o. letter dated 16<sup>th</sup> July, 2003 will remain the same.

3. It has also been decided that upto 95% of the total subsidy claim of the State Government will be released on provisional basis as per the present practice. For release of 5% balance subsidy, the State Governments have to furnish the Certificate from the Chartered Accountants appointed as Auditors by the Board of Directors of the State Agencies subject to the final adjustment based on the audit certificate of C&AG appointed auditors.

4. This issues with the approval of the Competent Authority.

Encl: 'As above'

**TABLE 2 : Incidental Charges per quintal for custom milled rice delivered to FCI in the Central Pool**

<u>Sr. No.</u>	<u>Item</u>	<u>Deciding Principles</u>
1	Minimum Support Price (MSP)	As determined by Government of India
2	<u>Statutory Charges</u> (i) Market fee (ii) Nirashrit shulk (iii) Arhatia charges /Dami (iv) Purchase Tax	As determined by Government of India on the basis of notification of the State Government
3	Mandi Labour Charges	<p>The rates will be indexed by the consumer price index (of the State, where available or of the country) to the last final rate. For first time States, the last final rate of a nearby State will be used. For other States, the last provisional rate will be used. The formula used will be:</p> $R \times \frac{\text{Average of the CPI of the current year}}{\text{Average of the CPI of the year rates were last finalized}}$ <p>where 'R' is the last final rate</p>
4.	Transportation Charges	<p>(i) <u>For DCP States</u></p> <p>The rate per quintal will be indexed by the Consumer Price Index (of the State, where available, else of the country) to the last final rate. For first-time States, the rate recommended by the State Level Committee headed by the Food Secretary with Senior Regional Manager, FCI of the State will be taken into consideration.</p> <p>The rate per quintal will be determined by the rate per km per quintal as calculated above multiplied by the average lead distance beyond 8 kms for paddy and</p>

		<p>beyond 8 kms for rice, indicated by the last approved average lead distance. For first time States the average lead distance estimated by the State Level Committee will be considered.</p> <p>(ii) <u>For Non-DCP States</u></p> <p>For transportation of paddy upto temporary storage point, if any, the charges will be payable as indicated at (i) above.</p> <p>For transportation of paddy from temporary storage point/purchase center to mill and of rice, beyond 8 kms, the charges will be payable by FCI based on District Magistrate's rate or FCI's rate whichever is lower, for the quantities of rice delivered for the central pool.</p> <p>(iii) For both DCP and non-DCP States if the State Government wishes to claim transportation rates for paddy and rice movement for distances less than 8 kms. also, the milling rate shall stand reduced by Rs. 3 per quintal.</p>
5.	Commission to Societies (where arhatia charges do not exist)	To be fixed at 1.0% of the MSP as payment to societies/sub agents wherever they are entrusted with the task of procurement. This would be in addition to the overall administrative charges.
6.	Driage	1% of MSP of 1 quintal of paddy in case of raw rice and no driage for par-boiled rice.
7.	Custody and maintenance charges	At CWC CAP storage rate for FCI for 2 months.

8.	Interest charges	For 2 months on items at Sr. No. 1 to 3 at FCI's rate of interest applicable on the date of the commencement of Kharif Marketing Season.
9.	Milling charges (including transportation charges upto 8 Kms from the mill to the FCI godown on paddy as well as delivery of rice)	<p>As determined by Government of India after taking into account the recommendations of BICP (now Tariff Commission)</p> <p>Where the State Government claims transportation rates for paddy and rice movement for distances from 0 to 8 kms. also, the milling rate shall stand reduced by Rs. 3 per quintal.</p>
10.	Cost of 1 qtl. of paddy	Sum of items No.1 to 9
11	Cost of 1 qtl. of rice	At 67% out-turn ratio for raw rice and 68% for par-boiled rice.
12.	Cost of gunnies	<p>(i) 2 gunnies (for packing 50 kg of rice each), as calculated by FCI for the State FOR destination based on the Jute Commissioner's rate</p> <p>(ii) The cost of gunnies shall include the cost towards internal movement of gunnies beyond the railhead based on final rate approved for that State Government. For first-time States, the last final rate of a similarly placed State will be used. For succeeding years, this component will be calculated by indexing the last final rate using the Consumer Price Index. In absence of final rates, the provisional rates allowed for last year will be indexed.</p>
13	Gunny depreciation	40% of item No.12 (i) for two bags (each to pack 50 kg of rice)
14	Cost of CMR	Sum of items 11 to 13

**TABLE 3 : Economic cost per quintal of CMR for the States which undertake decentralized procurement.**

<u>Sr. No.</u>	<u>Item</u>	<u>Deciding Principles</u>
<b>A. ACQUISITION COST</b>		
1	Cost of CMR	As calculated at item 14 of Table 2.
<b>B. DISTRIBUTION COST</b>		
2	Storage charges	At CWC rates for covered storage for FCI for 4 months of rice storage. Certification by Food Secretary of the State is required for covered godown.
3	Handling and transportation charges (for loading at storage point, transportation and unloading at distribution centre)	<p>The rates will be indexed by the consumer price index, (of the State where available, else of the country) to the last final rate. For first time States, the last final rate of a nearby State will be used. For other States, the last provisional rate will be used. The formula used will be</p> $R \times \frac{\text{Average of the CPI of the current year}}{\text{Average of the CPI of the year rates were last finalized}}$ <p>where 'R' is the last finalized rate.</p> <p>For the first time States, the rate recommended by the Committee headed by the Food Secretary of the State, including the Senior Regional Manager, FCI will be taken into consideration.</p>
4	Interest	At FCI's rate of interest obtaining on the date of commencement of the Kharif Marketing Season for 4 months on the base of acquisition cost minus interest charges (vide item 8 of Table 2).

5.	Transit & Storage loss	@ 0.5% of acquisition cost minus cost of gunnies (item 12 of Table 2) minus gunny depreciation (item 13 of Table 2)
6.	Administrative charges	@ 2.5% of MSP of paddy required for one qtl. of rice. This will be applicable to the quantity of rice retained by the State Government for distribution.
7.	Total Distribution Cost	Sum of items No.2 to 6
8.	Economic Cost	Acquisition Cost + Distribution Cost
